Proposing a New Member

Once it becomes clear that the prospective member is interested in membership:

- Complete Part A of the Membership Proposal Form, and return the form to your club secretary for submission to the club's board of directors. Remember: Don't inform a prospective member of the proposal until after the board approves it.

- Wait for the club secretary to notify you of the board's decision, which should come within 30 days of the submission.

After your club board approves the candidate:

- Have the club or proposer arrange an information session for the proposed member.

- Ask the proposed member to complete and sign Part B of the proposal form.

- Publish the proposed member's name and classification to the club. The Recommended Rotary Club Bylaws allow seven days for club members to consider and file objections, if any.

- If no objections are received, the proposed member pays the admission fee and becomes a Rotarian.

- The club secretary or president reports the new member to Rotary International.

Why Join Your Local Rotary Club?**Professional Networking**

A founding principle of Rotary was to meet periodically to enjoy camaraderie and enlarge one's circle of business and professional acquaintances. As the oldest service club in the world, Rotary club members represent a cross-section of the community's owners, executives, managers, political leaders, and professionals – people who make decisions and influence policy.

Service Opportunities

Club members have many opportunities for humanitarian service, both locally and internationally. Service programs address such concerns as health care, hunger, poverty, illiteracy, and the environment. Rotarians experience the fulfillment that comes from giving back to the community.

International Awareness

With more than 32,000 clubs in over 200 countries & geographical areas, Rotarians gain an understanding of humanitarian issues through international service projects and exchange programs. One of Rotary's highest objectives is to build goodwill and peace throughout the world.

Friendship

Rotary was founded on fellowship, an ideal that remains a major attraction of membership today. Club members enjoy the camaraderie with like-minded professionals, and club projects offer additional opportunities to develop enduring friendships. Rotary club members who travel have friendly contacts in almost every city in the world.

Good Citizenship

Weekly Rotary club programs keep members informed about what is taking place in the community, nation, and world and motivated to make a difference.

Family Foundations

Rotary sponsors some of the world's largest youth exchange, educational exchange, and scholarship programs. Rotary clubs provide innovative training opportunities and mentoring for young leaders and involve family members in a wide range of social and service activities.

Entertainment

Social activities give Rotarians a chance to let loose and have fun. Every Rotary club and district hosts parties and activities that offer diversions from today's demanding professional and personal schedules. Conferences, conventions, assemblies, and social events provide entertainment as well as Rotary information, education, and service.

Anthony Wayne Rotary Club Program Policy Statement

Weekly program presentations are intended to enhance the Four Avenues of Service for club members. Programs should be educational and focus on Club Service, Vocational Service, Community Service, and International Service.

Programs should also reflect the diverse interests of club members who serve as program chair for the week. Since Rotary is truly an international, non-political, and non-sectarian organization, programs should not have political, religious, or strong nationalistic themes.

"Sales presentations" of goods or services cannot be a program at a Rotary meeting. Presenters representing a business may be a program, but only if their presentation is strictly educational in nature and there is no attempt to gain business from the presentation.
